YOUTH ASKED FOR IT!
This column is for young people, their problems and pleasures, their troubles and fun.

As with the rest of Helen Help Us!, it welcomes laughs but won't dodge a serious question with a brush-off. Send your teenage questions to YOUTH ASKED for it, care of Helen Help Us! this newspaper.

YOUTH GROUPS START CAMPAIGN AGAINST POLLUTION

Dear Helen:
Last spring our school started a group called S.A.F.E. (Save Air For Everybody). A few weeks later we formed two more groups: H2O—Help to Overcome (water), and S.O.S.—Save Our Soil.

The object is to open people's eyes to pollution and start them working to eliminate it. Our projects include awarding plaques to companies who do something to clean up the air or water; and selling buttons with the above initials on them. The money we make will go toward obtaining movies on pollution to show publicly; and for clean-up projects.

At first people kind of laughed at us, but now they're buying our buttons. We try to explain as we sell, and it gets easier "Selling" all the time.

I was very proud of the way so many kids volunteered to help. Then it happened! I brought home a few of the anti-pollution pamphlets we had printed and my mother flipped. Though she is usually understanding, she said she was tired of this pollution bit, and if we had to watch every little thing, stop burning leaves and agriculture lands, buy glass bottles and go to the trouble of returning them, etc. well, it was just too much of a hassle. I had answers for her, but couldn't explain without getting mad and making her madder so I decided to write to you, Helen. Here goes:

I read about a woman celebrating her 100th birthday. At the rate we're going, no one will live half that long in the future because of lung troubles, cancer, bronchitis and other bad air and water-caused diseases. If people lived to see their grand-

children, they'd have to explain to them what the sun is, because they'd never have seen it for smoke.

Who wants to wear gas masks all their lives? Isn't it worth it to go to a little more—like plowing under weeds instead of burning them, and turning leaves into compost, and re-using bottles—if we can live longer and happier lives?

Oh, Helen, why are people so close-minded?—W.B. OF S.A.F.E.

Dear W:

People are getting less close-minded every day, and it is organizations such as yours which help shine the light into dark places. Keep promoting, but don't expect an easy victory. Your mother's attitude is like that of many individuals and industries who think anti-pollution is just great—until it makes them work harder, or spend more money.—H.

P.S. Congratulations on your education-action program. I'll bet by this time, your parents are on your side, too.—H.

Dear Helen:

I opened a box of crackers today. First there was the cardboard box, then a big heavy plastic bag, and inside of that were four individually wrapped packages of crackers. It happens with cereals too—all those separate wrappings inside wrappings. They're a big nuisance, they don't keep food you use up fast that much fresher, and think of all the extra "waste" to burn, plus making the product a little more expensive. Maybe people think that little bit of extra paper makes no difference, but when you multiply it by a million packages—wow! Pollution time!

Why doesn't industry come off the fancy packaging kick. Burned paper causes enough smog, but burning plastic gives off poison gases, too.—AWARE

Dear AWARE:
Why don't you (and others) write to those "excess wrapping" companies and complain direct? You'd be surprised how fast public opinion changes policies.—H.

Painted Both Sides

The National Gallery of Art framed Leonardo da Vinci's painting, "Ginevra de' Beni," front and back since Leonardo put a painting on the back of the portrait, too. The "Ginevra" is the only portrait—indeed, the only painting—ever turned out by Da Vinci with a second painting by him on the reverse side of the canvas.

Harry McMillip, Mrs. Charles Locke, Mrs. Wilbur Jones, Ozan.

Mrs. J.W. McRoy, Mrs. Earl Whitaker and Mrs. L.C. Crow served as judges for the Prescott Council of Garden Clubs' annual flower show Tuesday. They also attended a luncheon for the Fair Queen contestants.

Hope Star SPORTS

Fairview Tough Foe for Bobcats

By BILL MOORE
Star Sports Editor

Four years ago the Hope Bobcats slipped by the Fairview Cardinals, 14-13, and since then have lost three in a row, the latest a 29-0, heartbreaking loss.

The Cats were embarrassed last year after five straight impressive victories had put them near the top of district play. The week after that loss, Hope began a six game winning streak by shutting out Magnolia, 21-0.

That last game was a 13-6 victory over the Camden Panthers for the 4AA championship, which will be remembered for a long time to come.

So far this year Fairview has been beaten twice, while winning once. They were defeated by Camden, 21-0, and Ashdown, 20-9, while winning a 28-0 shutout over Watson Chapel.

Fairview will be led by junior quarterback Stephen Johnson. Weighing 148 pounds, Johnson executes the option real good and is fairly quick. He has backfield help from three swift runners.

Receiving will be no problem with Charlie Robertson and Terry Hankins solid at their positions. Both have good hands and are fairly fast.

The offensive line is headed up by guard Steve Crumpler while Benny Vestel is solid at center and Jim Ferguson at left guard. The tackles will be Lewis Stough and David Wheelington.

Blocking is fairly good with the slot and wishbone formations usually opening up fairly large gaps.

The defense has sagged a bit this year, but is expected to tighten up later on. They mostly use a slant and stack defense with a split 6 and gap slant also available.

Starting at noseman will be Clark Rogers, a 172 pounder with plenty of quickness. On both sides of him will be defensive tackles Kenny Rains and Robert Leare.

Anchor end will probably be Steve Burroughs with the blood end Jerald Jones. Senior Paul Gillespie, a small 138 pounder is the monster man, and though small, he is very quick and a pretty sure tackler.

The secondary will consist of halfbacks Robby Ingram and Jackie Carter, and safety John Moore. All three are not too large but can use their agility to hold down the opponents passing.

The Cardinals went 6-5 last season and are 1-2 so far this year, but they're always tough against Hope. However the Bobcats are eager for revenge this year and want to win NUMBER 3.

The Hope Bobkittens will travel to Arkadelphia tonight for a 7:30 p.m. kickoff. The Kittens won last year, 13-0 in a thriller, after losing for several seasons before.

Hope will probably rely on its running game and take to the air when needed. The offense is fairly balanced, but has had problems at times moving the ball.

The defense is real tough and every opponent so far has had trouble moving the ball. Hope must go without mistakes against Arkadelphia to win tonight.

If everything goes right though, the Kittens will come home with the first taste of victory this year.

Houk Admits This Was a Fun Year

By TOM SALADINO

Associated Press Sports Writer
After five years of frustration, manager Ralph Houk of the New York Yankees admits that the 1970 season has been a fun year for him.

"The way the kids are playing," said Houk, "the season, especially near the end now, has been lots of fun."

The Yankees, not counted on to be contenders in the American League East, after finishing fifth a year ago, clinched second place Wednesday night, dropping the Washington Senators 6-4 for their sixth straight triumph.

It gave Houk's youngsters an 89-67 mark, their best record since the last New York pennant-winning club of 1964 which finished 99-63. The Orioles lead the Yanks by 12 games but New York was the only club to make any kind of a run at Baltimore earlier.

The Yankees won it on rookie Jim Little's two-run double and RBI triple. Another rookie, Frank Baker drove in the final New York run. Rob Gardner, just recalled from their Syracuse farm club, picked up the triumph in his first start. He was touched by a three-run homer by Mike Epstein and a solo blast off the bat of Dick Billings.

The victory earned the Yankees about \$1,200 per player for their second place finish.

In other AL games, Boston lost to Cleveland 5-2, and combined with the Yankees' victory, eliminated the Red Sox from the second place battle. Minnesota topped Oakland 7-4. Chicago blanked Kansas City 5-0. California at Milwaukee was called by rain and the Detroit at Baltimore game was postponed by the power shortage in the East.

In the National League, New York edged Philadelphia 5-4. Montreal shaded Pittsburgh 3-2. St. Louis took a doubleheader from Chicago 2-1, 2-1. San Diego stopped Atlanta 2-0. Cincinnati clubbed Houston 6-2 and San Francisco outlasted Los Angeles 14-10 in 11 innings.

Steve Hargan pitched a six-hitter and Ken Harrelson and Vern Fuller each slammed their first homers of the season in the Indians' triumph, snapping Boston's seven game winning streak.

Rookie right-hander Bart Johnson tossed his first major league shutout, blanking Kansas City 5-0 while his Chicago teammate, veteran Luis Aparicio, equalled the all-time major league record for games played by a shortstop with 2,218.

George Mitterwald slammed a three-run homer and Tom Hall gave up only two hits in the Twins' triumph.

Hall, 10-6, pitched hitless ball until Bert Campaneris ripped a homer with two outs in the sixth. After a three-run blast by Dave Duncan—the second hit in the eighth, Bill Zepp relieved to preserve the triumph.

Tony Oliva ripped three hits for the Twins, inching his average up to .324, one point behind league leader Alex Johnson of the California Angels.

Indians Are Working Out Under Lights

JONESBORO, Ark. (AP) — The Arkansas State Indians worked out under the lights Wednesday night in preparation for a clash Saturday night with Southeast Louisiana.

Coach Bennie Ellender said the night practice was held to "get the feel of the game-type situation" the Indians will be faced with Saturday.

Ellender said the captains for the game would be senior Cecil LaGrone and junior Walter Fisher.

If we ever need to crack down," said Kennedy.

In a close vote, the NBA decided to send two teams instead of three from each of its four new divisions into championship playoffs.

The circuit has been expanded this season by addition of Buffalo, Portland and Cleveland with two divisions in an eastern conference and two in a western conference.

The exact format of the playoffs is yet to be determined and probably will be announced at the All-Star game in San Diego, Jan. 12.

Picks Hope to Defeat Fairview

By HARRY KING

Associated Press Writer
LITTLE ROCK (AP) — Are the Pine Bluff Zebras for real? The answer should be plain Friday night when the third-ranked Zebras meet eighth-ranked Northside at Fort Smith.

Pine Bluff has walloped Watson Chapel, Little Rock Central and Malvern.

Northside opened the season with two shutouts, but was upset by El Dorado last week 20-13.

Pine Bluff has an all-purpose back in Monroe Deshaizer and Northside's attack features Roger Carter. Pine Bluff's defense has set up several touchdowns and may give the Zebras an edge.

PINE BLUFF 14, NORTH-SIDE 10.
Seventh-ranked El Dorado takes on once-beaten Little Rock McClellan at El Dorado.

The Wildcats are riding high after last week's victory over Northside, but the Lions are capable of bursting the bubble.

A pair of unbeaten, Hot Springs and Benton, meet Friday night at Benton. The Trojans appear to be on their way under new coach Bobby Han-

Porker Band Still Won't Play Dixie

FAYETTEVILLE, Ark. (AP) — The director of the University of Arkansas band has recommended to university president Dr. David Mullins that the band continue not to play the song "Dixie" at athletic events.

"I think the possibility of injury and violence over this issue is real," said Eldon Janzen. "I would prefer not to expose them to such a possibility on the basis of my decision to play this song."

Janzen, who took charge of the UA band this year, said reaction to the band on the song has been "minimal."

"It is my feeling that to resume the use of this song after its termination by the previous band director could produce detrimental effects to the reputation of the university, running also a decided risk of conflict on the university campus which could bring about bodily harm to students under my supervision."

BATTING—Donn Cledenon, Mets, drilled a two-run, eighth-inning homer as New York edged Philadelphia 5-4 to move within two games of the National League East Division leading Pittsburgh Pirates.

PITCHING—Bob Gibson, Cards, fired a two-hitter in St. Louis' 2-1 opening game triumph over the Chicago Cubs. The Cards also took the nightcap 2-1, pushing the Cubs 2 1/2 games behind the Pirates.

Without Thompson in the lineup the Badger offense bogged down against Oklahoma after the surprised Sooners had fallen behind 7-0 at the half.

"The play of our offensive line was discouraging," Jardine commented after viewing films of the loss. "We thought they were better than that."

Major HOOPLES

Upset Minded

By MAJOR AMOS B. HOOPLE
Upset Champion

Egad, friends, your favorite correspondent has spent several sleepless nights on your account, doting out the winners of this Saturday's collegiate classics.

After sifting the pertinent data available on the major contestants, The Hoople System confidently forecasts three astonishing upsets—um-kumpli!

Would you believe Colorado over Penn State? Or Alabama over Florida? Or Auburn over Tennessee? Well, that's the way it's going to be on this wild and woolly pigskin weekend.

In a really Big One at Boulder, host Colorado will bring to an end Penn State's glorious 23-game winning streak! I predict Eddie Crowder's rampaging Buffaloes will out-muscle the Nittany Lions, 17-10, in a thrilling crowd pleaser—kaff-kaff!

At Tuscaloosa, Alabama, Paul "Bear" Bryant's defensive legions will shackle Florida's great passer John Reeves as they walk off with a 22-17 victory. Meanwhile, in another bruising battle, the determined Auburn Tigers will edge Tennessee's Vols, 15-13, before a sell-out throng in Birmingham.

For those among you who would scoff at such daring predictions, may I remind you my title as Upset Champion is not a-hem—an undeserved honor. Just last week, while compiling an impressive 36-12-1 record for a .750 average, I gave you Illinois to upend heavily favored Oregon. The Illini, winless in 19 of its last 20 engagements, vindicated our judgment with a 20-16 victory—har-rumph!

There are two contests on tap in the Midwest which rate your attention. In Columbus, the big, bold, talented Buckeyes of Ohio State will make their 1970 bow as successful ones as they repel invading Texas A&M. The Aggies, upset conquerors of LSU last week, will have their hands full trying to contain the Bucks' offensive forces led by Rex Kern. Look for remarkable Rex to get his club home in front by a 35-24 count.

And at South Bend the Notre Dame stalwarts will make their home debut against always rugged Purdue. In this, the 42nd grueling meeting of these outstanding collegiate institutions, I predict a close 28-22 triumph for the Irish and

Wisconsin's Hopes Rest on a Texan

By ARTHUR L. SRB
Associated Press Writer
MADISON, Wis. (AP) — Wisconsin's hopes for a football victory over Texas Christian University Saturday may rest on the shoulders of a powerful full-back from Texas — Alan (A-Train) Thompson.

The 210-pound Wisconsin star was sidelined with a bruised thigh during Oklahoma's 21-7 victory over the Badgers last week but is expected to be in the lineup for the clash with TCU in Camp Randall Stadium.

Thompson, a native of Dallas who grew up within 50 miles of TCU, is a key factor in Badger Coach John Jardine's plans for nailing down his first victory as a head college football mentor.

Thompson set a single game rushing mark for Wisconsin with 220 yards against Oklahoma last year, gained a season total of 907 yards in 10 games and scored nine touchdowns.

The Badger offense is directed by quarterback Neill Graff, a 6-3 junior who showed flashes of brilliance as a passer and runner in 1969.

Without Thompson in the lineup the Badger offense bogged down against Oklahoma after the surprised Sooners had fallen behind 7-0 at the half.

"The play of our offensive line was discouraging," Jardine commented after viewing films of the loss. "We thought they were better than that."

Opening lead—♦ Q		

We aren't sure if we approve of the North-South bidding. Somehow or other, six clubs is a safer contract than six spades but the game was match point duplicate and North put his partner in the major-suit slam.

They did well to avoid six no-trump where only 11 tricks are available.

South won the diamond lead with dummy's ace and looked around for a way to make 12 tricks. A simple play would be to draw trumps right away, discard his losing diamonds and two of his hearts on dummy's clubs and concede a trick to the ace of hearts. That was a simple play but it would have turned out to be a losing one. With trumps breaking 4-2, South would have had to play out all his trumps. West would discard down to the ace of hearts and a diamond and take the last two tricks.

South had another losing play at his disposal. Should he lead a heart to the king. West would take his ace and lead a second diamond. South would ruff in dummy and have no way to get to his hand to pull all West's trumps.

Then how did South make the slam?

Alan Truscott points out that he made it by means of an unusual play. At trick two, he played dummy's queen of hearts. This play left West with no winning defense. If West took the trick and led a diamond, South would ruff in dummy, cash dummy's king and queen of trumps, come to his hand with the king of hearts, draw the last trumps and run the clubs for 12 tricks.

If West ducked, South would simply run off trumps and clubs and let West win the last trick. Either way, the 12 tricks were home.

Drug Use Danger Signs Revealed in Pamphlet

By WAYNE G. BRANDSTADT, M.D.

Parents who are concerned that their children may get caught up in the rapidly spreading use of drugs need to be more sensitive to the danger signs. "Drug Abuse and Your Child" by Alice Shiller, a new Public Affairs pamphlet, discusses some of the reasons why young people turn to drugs; alerts parents to signs of drug abuse; summarizes basic information about marijuana and other hallucinogens, narcotics, amphetamines and barbiturates; and suggests what can be done to prevent drug use and to help a child get off drugs if he is taking them. This informative pamphlet is available for 25 cents from the Public Affairs Committee, 381 Park Ave. South, New York, N.Y. 10016.

Q—What are the dangers of taking amphetamines—pep pills—daily? What are the side effects? Is withdrawal of the drug a problem after prolonged use?

A—This drug is often given

Aussies Have Not Given Up in Race Series

By SID MOODY
Associated Press Sports Writer
NEWPORT, R.I. (AP) — Although Intrepid stood on the verge today of continuing the United States' monotonous domination of the America's Cup, the challenging Australians certainly haven't given up.

"We still can win this thing, and we're not giving up," said Martin Visser, tactician on Gretel II, knowing that it would take a near miracle for his yacht to overcome the 3-0 Intrepid lead in the best-of-seven race series.

However, as bravely optimistic as the Aussies talked, during Wednesday's lay day, that 3-0 deficit and history will be quite a burden to overcome, although many observers still haven't decided that Intrepid is the faster boat.

The United States has never lost this cup in 20 defenses. But the record may not lie in hull or

sails or sophisticated equipment, but in the crew. As one Aussie put it, the Australians on an individual basis don't take their responsibilities as seriously as the Americans.

The Aussies incorrectly set their spinnaker during the first downwind of the first race, and then lost a man overboard for more than two precious minutes, and an alternate crewman said "the crew has been so interested in making equipment adjustments that they're not paying attention to what they're doing."

For two years the Australians trained in the waters off Sydney. Then for 10 weeks, while the Gretel II was being shipped to the United States, the Australians had no opportunity to practice on the new Gretel design of Alan Payne.

During this time, Bill Ficker, the meticulous Intrepid skipper, was practicing against the best American boats.

Another of Gretel's problems may be that there are too many chefs in the kitchen. Jim Hardy, the skipper, hands over the starts to Visser. Then, on the long downwind runs, crewman David Forbes sails.

Golf Tourney to Help the Olympic Fund

MIAMI (AP) — One out of every two dollars collected at the gate for the 1971 National Airlines Golf Tournament will go to the U.S. Olympic Fund kitty, which is expected to be \$500,000 richer when the tournament ends.

Aside from donating 50 per cent of its gate, the \$200,000 pro golf event, one of the richest on the Professional Golfers Association tour, will hold a \$500-a-person pro-amateur prelude with proceeds earmarked for the Olympic Fund.

Col. Donald Miller, finance chairman for the U.S. Olympic Committee, said 900 donors would pay \$500 each to enter qualifying for the March 24 program event, with 300 winning the right to play in the 18-hole show with the pros.

Proceeds from a \$100-a-plate gala to be held at the Country Club of Miami during the March 25-28 tournament will also go to the fund.

Mets Could Be Getting Extra Help

By HAL BOCK
Associated Press Sports Writer
The whispered story of the 1969 baseball season was that supernatural... perhaps even divine... help moved the New York Mets to the world championship.

There is a possibility now that the National League East race has reached the nitty gritty stage that the Mets are getting some extra help again.

—Item: The Mets, trailing Philadelphia 4-3 Wednesday night, find old friend Dick Selma on the mound at the start of the eighth inning. Selma, loser in the ninth the night before and fined \$500 for his popoff after the game, promptly surrenders a two-run homer to Donn Clendenon and the Mets win, 5-4.

—Item: Pittsburgh, trailing Montreal 3-1 in the bottom of the ninth, scores a run on Coco Laboy's throwing error and has men on second and third with one out. Reliever Mike Marshall calmly strands the tying and winning runs by retiring pinch hitters Jose Pagan and Gene Clines to save the Expos' 3-2 victory.

—Item: Chicago, 2-1 losers to St. Louis and Bob Gibson in the first game of a doubleheader, trails the Cards 2-0 in the ninth inning of the nightcap. Glenn Beckert singles and Billy Williams tags his third double of the game. A wild pitch scores Beckert and advances Williams, the tying run, to third with none out. Rookie Jerry Reuss calmly mows down the next three hitters to nail down the victory.

—Item: The Mets who were in third place, 3½ games out with nine games to play and reeling on Monday, are second, two games out with seven games to play and alive again today.

Elsewhere in the National League Wednesday, San Diego shut out Atlanta 2-0, Cincinnati belted Houston 6-2 and San Francisco went 10 innings to beat Los Angeles 14-10.

In the American League, Chicago shut out Kansas City 6-0, Cleveland tripped Boston 5-2, New York whipped Washington 6-4 and Minnesota whipped Oakland 7-4. California at Milwaukee and Detroit at Baltimore were postponed.

The Mets were behind 4-1 against the Phillies but knocked out Chris Short with a two-run rally in the sixth. Ironically, Clendenon, whose 21st homer won the game two innings later, crippled the early rally by slamming into a bases-loaded, none-out double play.

Selma, in a postgame tirade the night before, questioned the judgement and integrity of the umpires and said they had fixed the game.

The outburst resulted in his fine by NL President Chub Feeney and nearly caused a walk-out by the four umpires. Selma apologized in writing for the remarks, which he said "had no basis" and were made "in a fit of anger."

His comments were more reserved after Wednesday's game.

"I threw a curve ball and it hung," he said, claiming his clash with the umpires had not affected his performance. "Yesterday was yesterday," said Selma, "today is today, and tomorrow is an off-day, thank God!"

An interesting choice of words.

Pittsburgh came close but could not quite catch Montreal. Carl Morton, who won his 17th, carried a 3-1 lead into the ninth with a pair of hits by Don Hahn keying two Expo rallies.

Willie Stargell and Manny Sanguillen sandwiched ninth inning singles around a pop up and Laboy's throwing error scored one run and left the Pirates in position to win it on a hit. But Marshall bore down to get Pagan on a fly ball and Clines on a line drive to end it.

"I have no complaints," said Pirate Manager Danny Murtaugh. "We had a shot at them and didn't make the most of it. The Lord helps those who help themselves."

An interesting choice of words.

Gibson simply overpowered the Cubs in the first game, permitting just two hits. The big right-hander struck out seven and walked three en route to his 23rd victory of the season.

In the nightcap, Reuss permitted seven hits including three doubles by Billy Williams but bore down in the clutch, espe-

Some Whites May Quit at Syracuse

By WILLIAM MORRISSEY
SYRACUSE, N.Y. (AP)—The Syracuse University football team, which opened in Houston last Saturday minus eight suspended black players, may go into this weekend's home game against Kansas without some white squad members who are protesting this week's reinstatement of the blacks.

Syracuse lost to the University of Houston Cougars 42-15.

During personal interviews Wednesday, white players said an earlier team statement declaring that 68-member squad would take the suspended blacks back in order to play the Kansas game "was shoved down our throats."

The statement was approved, they said, because the alternative presented during a 3½ hour closed meeting late Tuesday was cancellation of the Kansas game by court order. The court order was to have been sought by Syracuse Mayor Lee Alexander to prevent possible violence in Archbold Stadium.

Meanwhile, the eight Negroes, reinstated after a seven-week suspension, made their first practice field appearance Wednesday since the bitter drama opened with a boycott of spring drills. They did not join in the practice but only watched; some were given physical examinations by team physician D. William Pelow.

Two of the reinstated players were last year's leading ground gainers, fullback Al Newton and halfback Greg Allen.

The controversy began during last spring's practice when the blacks spurned the early drills, accusing the school's athletic department, and especially the football coaching staff headed by Floyd "Ben" Schwartzwalder, of discriminatory practices. Negro players were not taken to away games and a Negro coach aiding the team was only a temporary employee, the blacks asserted.

cially the ninth when he got Ron Santo, Jim Hickman and Tommy Davis with the tying run on third.

"We had enough chances," said Cub Manager Leo Durocher. "I couldn't have asked for any better hitters coming up in the ninth than Santo and Hickman."

The double loss pushed the Cubs to third place, 2½ behind with eight to play. The Mets and Pirates each have seven left with New York two behind. Chicago plays St. Louis and Pittsburgh takes on Montreal today while the Mets are idle.

"It looks like two of them are going to give it away," said Montreal Manager Gene Mauch. "I think it might wind up in a three-way tie and that would be the best way to decide it."

San Diego used home runs by Clarence Gaston and Dave Campbell to beat Atlanta with rookie Steve Arlin scattering seven hits to get the victory.

Handling of Food Stamps Declared Bad

By DON KENDALL
AP Farm Writer
WASHINGTON (AP) — Government food stamp officials say local welfare procedures are so bad in some areas print-

ed cards authorizing purchases of the valuable coupons lie around openly for anyone to steal.
In some cases, say Agriculture Department sources, local food stamp workers have certified ineligible or fictitious low-income families with intentions of pocketing profits from bootlegged stamps.
Illegal or sloppy procedures have become so prevalent that

HOPE (ARK.) STAR, Printed by Offset
the Nixon administration has served notice on state and local agencies to shape up or risk losing one of the country's best known antipoverty programs.
Agriculture Secretary Clifford M. Hardin warned of the crackdown Monday night at the Southern Governors' Conference in Biloxi, Miss.
"We have come upon widespread evidence of weak, careless and sometimes fraudulent

administration," Hardin said.
"This is a situation that cannot and will not be tolerated."
James E. Springfield, head of USDA Food stamp operations, said Tuesday a number of cases are under investigation, some by local authorities, others by grand juries and all by the department in one way or another.
Thus far, Springfield told a reporter, the department has no

plans to withdraw food stamps from any specific communities.
Hardin did not name any state or community in his Biloxi speech. Department sources said, however, that operations in Chicago, Philadelphia and San Antonio, Texas, are on the check list.
The food stamp program, developed as an antipoverty weapon since the early 1960s, has grown rapidly since the Nixon

administration took office.
Under pressure from within the administration and Congress, the Agriculture Department has extended food stamps to 6.9 million persons this summer, double a year ago.
Food stamps are sold to eligible low-income families to boost their buying power at grocery stores.
For example, a family of four

with an income of around \$100 a month can pay \$25 for stamps worth \$100 at supermarkets.
States have the responsibility of administering the program and certifying who can buy the stamps. The U.S. Treasury pays for the bonus values.

War Legality Ruling Could Embarrass

By BARRY SCHWEID
Associated Press Writer
WASHINGTON (AP) — A Supreme Court inquiry into the legality of the Vietnam war would hamstring President Nixon, insult Congress and embarrass the United States internationally, the administration has contended.

Justice Department lawyers Tuesday warned bluntly the court might have to set up its own military affairs office, supervise a troop withdrawal and deal on the diplomatic front with North Vietnam should it accept the state of Massachusetts' argument and declare U.S. participation unconstitutional.

Solicitor Gen. Erwin N. Griswold, and William D. Ruckelshaus, an assistant attorney general, told the justices in a brief that Congress, through its appropriations and in other ways has already substantially endorsed the involvement of American fighting men in the Vietnam war.

The government's brief said not all wars require a congressional declaration and a search for authority for the Vietnam war is beyond judicial supervision.

Massachusetts' plea for a high court judgment was filed in July under a state law designed to force a test of the law's constitutionality.

In advising the court to turn the effort down, Griswold and his justice department associates said "the president should not be hemmed in by the prospect of the judicial supervision" over the exercise of his responsibilities.

As for Congress, they said any inquiry into its motives or participation in the war effort "would involve an impermissible judicial affront to the dignity of a coequal and independent branch of government."

And as for foreign nations, the administration said any conclusion against the legality of U.S. action in Vietnam "could only cause the most extreme embarrassment to this nation in its present and future conduct of foreign affairs."

Massachusetts has asked the court to enjoin a military action in Vietnam should the justices conclude a war without a formal congressional declaration is unconstitutional.

The administration argued: "The Constitution does not require Congress to authorize American participation in hostilities only through a formal declaration."

Moreover, the government brief said, this court would face insurmountable enforcement difficulties.

"The court might have to set up its own office of military affairs and supervise the vast and intricate process of military disengagement."

"It might have to provide officials to carry on diplomatic discussions with the North Vietnamese and other governments."

The court returns from a 13-week summer recess Oct. 5. Immediate action on the case is not anticipated.

52 Americans Killed, 333 Wounded

By GEORGE ESPER
Associated Press Writer
SAIGON (AP) — The U.S. Command announced today that 52 Americans were killed and 333 wounded in action in the Vietnam war last week, the lowest over-all casualty toll in 4½ years.

South Vietnamese battlefield casualties also dropped sharply last week, with 195 government troops reported killed—the lowest number since May 1969—and 464 wounded, the lowest wounded toll in nearly three years.

The allied commands said 1,217 North Vietnamese and Viet Cong troops were killed last week, the lowest number of enemy reported slain in four weeks.

The U.S. Command said that American battlefield deaths for the past 12 weeks are at a nearly five-year low, reflecting the disengagement of American troops from Vietnam and the Viet Cong's apparent re-emphasis on small guerrilla attacks rather than large battles.

In the only significant battlefield action in South Vietnam, spokesmen said government troops raided a North Vietnamese staging area two miles southwest of embattled Fire Base O'Reilly in the northern sector and killed 24 enemy without suffering any casualties.

The U.S. Command said that American gunners accidentally fired 36 rounds of mortar shells into a unit of the 4th Infantry Division operating along the central coastal plain Wednesday night. Two Americans were killed and four wounded.

Elsewhere, Communist forces again drove back Cambodia's biggest offensive of the war in the heartland north of Phnom Penh, inflicting serious government losses.

But the Cambodians' South Vietnamese allies claimed a major success in a six-day operation to clear the banks of the Bassac and Mekong rivers 30 to 50 miles southeast of Phnom Penh, with 200 North Vietnamese and Viet Cong killed in the past three days.

In Laos, North Vietnamese gunners hit a U.S. Air Force fighter-bomber on a mission along the Ho Chi Minh trail, but the pilot, Capt. John W. Newhouse, 30, of Rowayton, Conn., guided the crippled plane back to Vietnam and bailed out 18 miles southwest of Hue. He was picked up by a rescue helicopter and was reported slightly injured.

It was the first American jet fighter-bomber reported shot down over Laos in two months.

In Cambodia, North Vietnamese and Viet Cong troops entrenched in the village of Taing Kauk, 47 miles north of Phnom Penh, drove Cambodian paratroopers out of the southern edge of the village Wednesday.

A spokesman for the Cambodian military command said the government forces suffered moderate casualties over-all in the day-long battle, the second attempt in 11 days to recapture the village where 300 to 500 North Vietnamese and Viet Cong are reported dug in.

The Cambodians are trying to open up Route 6 between Taing Kauk and the provincial capital of Kompong Thom to the north in an effort to recapture some of Cambodia's heartland.

WASHINGTON (AP) — Rep. John Paul Hammerschmidt, R-Ark., said Wednesday the General Services Administration has awarded a contract to the Russellville plant of the Firestone Tire & Rubber Co.

U.S. to Move B52's From Okinawa

TOKYO (AP) — The United States notified the Japanese government today that it will remove B52 bombers from Okinawa shortly, the Foreign Ministry reported.

Officials said the U.S. Embassy informed the Foreign Ministry of the decision.

An embassy spokesman said U.S. officials discussed the issue at the ministry, but declined to comment on future operations of the big B52 bombers in Asia. The embassy also declined to elaborate on when the withdrawal would be completed.

Japan's Kyodo News Service reported the U.S. Air Force would continue to be permitted to fly B52s to Okinawa's Kadena Air Base "when such action is regarded necessary." But, neither the Foreign Ministry nor the American Embassy would confirm the report.

Kell Assures Scott of No Promises

SWIFTON, Ark. (AP) — George Kell of Swifton, state coordinator of Dale Bumpers' gubernatorial campaign, said Wednesday that he had written a letter to State Police Director Col. Ralph Scott assuring Scott that Bumpers had made no commitments to anyone in regard to any job or position.

Mack Thompson of Paragould, former head of the Highway Patrol Division of the State Police, said Tuesday he had sent 15 or 20 letters seeking support for appointment to the State Police director's position should Bumpers be elected.

Kell assured Scott that Bumpers had no knowledge of Thompson's activity.

One-Car Wreck Is Fatal

NORTH LITTLE ROCK (AP) — The man killed Wednesday morning in a one-car accident on Interstate 40 about 11 miles west of North Little Rock has been tentatively identified as S. K. McClure, 51, of Morrilton.

Hope will receive nationwide publicity again this year for its champion melons by having a ton on display behind a curtain on the Saturday night (Sept. 26th at 6:30) "Let's Make A Deal" show.

The well loved M. C. and Co. Producer Monty Hall, along with other members of his staff, "shot the works" in publicizing Hope as the "Home of the World's Largest Watermelon." This fact was found in the "World Book Encyclopedia" and cleared the way for Hope to be given due credit from coast to coast.

Worldwide fame was acclaimed in 1935 when O. D. Middlebrooks' 195 pound melon was proclaimed as champion and sent to movie star Dick Powell, native Arkansan.

Realizing that we have something which has never been surpassed in size and is a top attraction, Pod Rogers and Carter Russell began in 1968 to use their summer vacations to go and promote Hope by using this famous product. Their first stop was at the Hemis Fair where ski champion Mundo Villegas used halves of 100 pound melons and performed the unbelievable feat of skiing on them (try it sometime!).

Last year (1969) Rogers and Russell were invited to the "Glen Campbell Goodtime Hour" to present a 135 pound melon to Glen. In a skit Pod and Tommy Smothers carried the melon on stage in a burlap sack. Just as they started to present it to Glen, Tommy got excited and began to applaud, dropped the melon and with this "accident" gave Hope some never to be forgotten publicity.

Antilitter Drive Is Nationwide

WASHINGTON (AP) — Secretary of the Interior Walter J. Hickel has opened a nationwide antilitter campaign with a speech from the Lincoln Memorial steps—and by picking up some trash himself.

Hickel told an audience of hundreds of school children and Interior Department employees Wednesday the campaign is "a do-it-yourself environmental program that everyone can join."

Arthur Godfrey, the television entertainer, advised the crowd that "good habits are as easily formed as bad habits" when it comes to keeping the scene clear of trash.

Rail Strike Delayed Two More Weeks

By JIM LUTHER
Associated Press Writer
WASHINGTON (AP) — A threatened strike that could shut down the nation's railroads has been postponed two weeks to give negotiators more time to settle a dispute over elimination of firemen's jobs.

The postponement, worked out by the railroads and the United Transportation Union, was announced early today after negotiations continued past the 12:01 a.m. strike deadline.

"The parties agreed to continue negotiations for a period not to exceed two weeks in an endeavor to resolve the long-standing firemen's dispute," said Secretary of Labor James D. Hodgson.

"Naturally I am disappointed that no settlement was reached, but I am appreciative of the fact that further opportunity for negotiations now exists without an immediate threat of a strike."

Conflict Forces Edmonds to Withdraw

Edmonds, local service station owner, who announced for Hope City Board of Directors Tuesday, today withdrew his petition for his name to be placed on the November General Election ballot.

Edmonds stated that when he filed, he did not know the ruling which forbids relatives of city board members to work for the city. This ruling is AS 19-730. Had he been elected to Position 6 on the board, it would have been in conflict with a relative now working for the city.

Edmonds further stated that he appreciated the encouragement that many Hope people gave him and also the people who signed his petition.

Witness Says Sharon Tate Last to Die

By LINDA DEUTSCH
Associated Press Writer
LOS ANGELES (AP)—"Sharon Tate was the last to die because she had to watch the others die first."

A witness at the Tate murder trial told the jury Wednesday she heard defendant Susan Atkins say this a month after the blonde actress and four visitors to her home were slain.

Barbara Hoyt, 18, a former member of Charles M. Manson's hippie-style family, said she overheard Miss Atkins while the family was living at a ranch in Death Valley in September 1969. Miss Tate and the others were slain in August 1969.

She said Miss Atkins, 21, known to the clan as "Sadie" was in the kitchen talking to another member, Ruth Ann Morehouse, 18, not charged in the case. Miss Hoyt said she heard these remarks by Miss Atkins:

"She said that Sharon Tate came out and she said, 'What's going on here?' or something like that and Sadie said, 'Shut up, woman.' And she said Sharon Tate was the last to die because she had to watch the others die first."

It was the first testimony purporting to link a defendant directly to the killings of Miss Tate. Key state witness Linda Kasabian has said she saw two victims slain outside the actress' home, but never mentioned the blonde beauty who was found dead in the house.

Manson, 35, and three women followers—Miss Atkins, Patricia Krenwinkel, 22, and Leslie Van Houten, 20—are being tried on murder-conspiracy charges in the slayings.

Miss Hoyt, a long-haired brunette in a bright tangerine dress, appeared dazed as she took the stand.

She said three of those charged were eager to watch a television news show the night after the Tate killings. She said Miss Atkins burst into a trailer where Miss Hoyt was watching a program, asked her to switch to the news, then summoned Miss Krenwinkel and Charles "Tex" Watson, 24, who faces a separate trial on the same charges.

She said they wordlessly watched only the Tate segment of the news, then left. She said family members often watched TV—"but not the news."

The state has complained that Miss Hoyt was the object of an LSD poisoning attempt to keep her from testifying.

Says Murton Not Honest or Accurate

LITTLE ROCK (AP) — Correction Commissioner C. Robert Sarver said Wednesday that remarks made Tuesday night on national television by former Arkansas prison Supt. Thomas O. Murton were "not accurate, not honest, not fair."

Murton, appearing on ABC television's Dick Cavett Show, criticized the state's prison sys-

tem. He said that after he discovered three bodies in unmarked graves at Cummins Prison Farm, legislators and other officials were so anxious to have him removed that a grand jury was preparing to indict him under an old grave-digging statute. He said the reason given for his dismissal was because "I didn't know agriculture."

Sarver said that he would ask Cavett to come to Arkansas to see the prisons. He also said he intended to send Cavett a copy of the Correction Department's annual report.
